## Long Island TRAIID iPAD Loan Policy

One Apple iPad equipment loan includes iPad, charger and Otter Box case. It is the user's responsibility to care for the equipment and ensure that it is used and stored in a safe environment. If they become damaged or missing, the user must contact Randy Young, TRAIID administrator at [Randy@LICoP.org](mailto:Randy@LICoP.org) or 631-682-9034.

The working condition of the iPad will be assessed before checkout and upon its return. Users are responsible for damage to and/or loss or theft of loaned units. The replacement cost for a lost, stolen, or damaged iPad is \$500.

The iPads have 16GB of internal memory and are equipped with Wi-Fi, which can be accessed through the borrower's wireless account. The iPad comes with a suite of preloaded applications, but users may sync additional applications with their individual user account at their own expense. The borrower must erase all personal data and applications before returning the item.

An in-service on iPad usage is offered at no cost to persons responsible for iPad.

iPads are loaned for a 30 day period.
